**Re: *Ex Parte* Presentation**  
**WT Docket No. 03-103; “Air-Ground Telecommunications Services”**

Dear Ms. Dortch:

On January 18, 2006, I spoke via telephone with Cathy Massey, Richard Arsenault, and Kathy Harris of the Wireless Telecommunications Bureau about the Commission’s decision to require Verizon Airfone to file periodic status reports on its progress in reconfiguring its narrowband system to operate in 1 MHz of spectrum. I indicated Airfone’s desire to complete the reconfiguration process as quickly as possible, and its support for providing the FCC with the data described in the Commission’s *Order on Reconsideration*.

Pursuant to Section 1.1206(b)(2) of the Commission’s Rules, an electronic copy of this letter is being filed for inclusion in the above-referenced docket.

Sincerely,

/s/ Donald C. Brittingham
